New Enrollment Application Format

During the 2009-2010 school year, parents have the flexibility to limit their school choices within their regional school zone utilizing Transportation Service Areas (TSA's). TSA's are zip code specific. Schools within the TSA's will streamline the transportation process and may be closer to family residences.

Parents have the option to rank:

- 1) all the schools within their regional school zone, or
- 2) schools according to their TSA.

Below you will find zip codes listed under the appropriated regional zones, and numbers 1 or 2 which identify TSA's 1 or 2 for that zone.
